Frequently Asked Questions

What happens if I lose my card or it is damaged?

Report any lost or broken cards to the school office. They will order a new card for you.

What if I don't have enough money on my card, will I still get lunch?

Each Academy has its own procedure. Please ask at the school office or speak to your guidance teacher.

I have funds on my card but have forgotten or lost it. Can I still get lunch?

Yes – the catering team can look a pupil up and if you have enough funds on your account you can still make a purchase. **Be aware**, this does slow the queue down so try and remember your card at all times.

Welcome to Academy Catering

It's a whole new experience

Academies offer cafeteria style dining facilities with a range of freshly prepared choices.

Alongside the main lunchtime service most schools offer a breakfast and morning break service. Items can be purchased individually or as part of a meal deal.

Most Academies also offer a lunch time 'Meal2Go' where your hand held lunch option can be pre-ordered and collected at lunch time. Check out our menu where you will find a range of choices, there should be something for all tastes. A selection of these choices are available daily.

Cashless Catering in Academies

As part of the transition to the Academy you will be issued with a Young Scot National Entitlement Card.

How is credit added onto a card?

- **On-line**

If you already use the on-line system in primary schools you will be able to continue this.

If you have not registered for on-line payments follow the simple procedure via the following link -
<http://www.aberdeenshire.gov.uk/schools/meals/online-payments/>

If you are registered for On-line payments you have the added benefit of being able to **view all purchases made on the account.**
